

# Longarm 101 Class

## Class preparation

Date of Class \_\_\_\_\_ Class Time 9am—3pm

Bring with you to class:

1. Thread snips that attach to your body. You will be moving around the machine and will want them handy.
  2. 1 inch Blue Painters Tape. Or any other size or color you may have.
  3. 4 small safety pins.
  4. Sharp rotary cutter.
  5. Quilt top no larger than 50 X 50. I recommend a simple quilt that you don't mind being a "practice" quilt. For many of you it will be the first time using a longarm machine.
  6. Backing fabric for your quilt. Your backing will need to be 10 inches larger than your top. For example if your quilt top measures 45 X 45 then your backing should measure 55 X 55. YES you will need that much extra. You will soon find out where it goes. You will not have time or opportunity to piece or prepare your backing fabric in class. Please have it pieced and ready to go.
  7. Batting for your quilt. Have your batting trimmed to size. Your batting will need to be a minimum of 3 inches larger than your top. For example if your quilt top is 45 X45 your batting should measure 48 X 48. Your batting can be larger than the 3 inches however, it must NOT be larger than your backing.
  8. I do not recommend using minky or flannel for your class quilt. The techniques will be new and those fabrics can pose a challenge. We will discuss in class how to prepare those types of fabrics for future use.
  9. We will take a short 1/2 hour lunch break. We have a few places near by but you are welcome to bring your lunch and eat at the shop. We have a mini fridge, microwave and coffee for your convenience.
  10. Tool Kit. Items included in the tool kit are: One set of 126 inch zippers, HQ bobbin Case, Leader pins, 1 X 12 ruler, KK2000 temporary spray adhesive, Silicone Thread Spray. Tool Kit is \$149.99
- 
1. Payment must be made in full to reserve your place in class.
  2. Class fees are **NON-REFUNDABLE**. You may transfer your class fee to another class. We must receive written notice of transfer 30 days prior to class date. Email to [heidistagno@outlook.com](mailto:heidistagno@outlook.com) **NO EXCEPTIONS** thank you.
  3. Class space is limited to one student per machine. Students may choose to share a machine if they wish however, the class fee is paid per person.
  4. Children or unpaid guests are not allowed to attend class with you.
  5. If the shop cancels the class a full refund will be issued via check.
  6. You may send someone else in your place.
  7. The class supply list is available at the shop or on line. The class supplies are NOT included as part of the class fee. You will need to bring your own supplies or purchase them at class. The HQ starter tool kit is required for this class.
  8. Please be respectful of others in class by turning off your cell phone.
  9. You will be quilting a quilt from start to finish. In order to make this possible please follow the class preparation sheet according to the directions.
